Mat Assignments: Wrestlers will be assigned to a set of mats for each session. Rounds 1-3 are one session for each age group and then 4 and 5 are another, and finals are assigned individually by the place you are wrestling for. Please check at weigh-ins or the WWF website ahead of time for your assigned mats. Wrestlers will be assigned bout numbers for their bouts on their chart. Please look at the score clocks for your mats to see what bout numbers are being wrestled on your set of mats and when they are about 5 bouts times the number of mats your group is using away from your bout number please go to the staging area where they will need to look at the Projection Screens for their mat assignment once their assignment is shown then they can proceed to the mat they are assigned to through the floor entrance with their 2 coaches.

Awards will be given out right after wrestler's placement match is complete. As soon as match is finished they should exit arena floor to the north by mat 16. We will organize each age and weight class there and take them as a group to the awards areas.
